SUCCESSFUL OPERATION MBO AT MANDLAKAZI AREA

Assistant Nursing Manager , Hlengiwe Buthelezi, assisting clients , attending to their queries. Inside the mobile vehicle a nurse is screening clients .

On the 09 December 2017, Benedictine Hospital and Nongoma Sukuma Sakhe Local Task team hosted operation Mbo at Mandlakazi High School at ward 1. The aim Operation Mbo was to bring all Government services to communities that are in remote areas where it is hard for the community to access Government services as well as their social needs. Government departments supported the event by rendering services to the community. SASSA , Dept of agriculture, Cogta, DOH DSD were present. The clients were delighted as others were receiving reading glasses for the very first time, and INkosi came to welcome the staff and the community. DOH provided all clinical services and were also assisted by sister hospitals who came in with their mobile vehicles to serve the community of Nongoma. Hospital management, extended their sincere gratitude to all staff that availed themselves on the day and to all partners that supported us Thank You.
