## FIRE DRILL AT NKANDLA HOSPITAL

**O**n the 26th of October 2017, Nkandla hospital was visited by the Fire department to conduct a fire drill programme. Mr Ntombela started by thanking the staff of the hospital for attending the programme because it is off high importance that people are educated about fire and also ways to manage it. He elaborated more on different fire extinguishers used to manage fire and further demonstrated how to use them. He emphasized that we should also have fire extinguisher at our homes.

**From the left: Mr W.H Ntombela( fire fighter), Mr T.T Madlala (fire fighter), Mrs. Masi- kane( Acting HR Manager), Ms. Magwaza, Mr. Magubane (Systems manager), Mr. Bu- thelezi (Supply Chain)**

# Fire Drill at Nkandla Hospital

Above: Mr. Ntombela addressing the hospital staff members about how they can manage fire in their homes or at the workplace and also demonstrated how to use the fire extinguisher on different objects.

On the left above: Mr. Halala Ntombela was captured educating the staff at Nkandla Hospital about the different fire extinguisher's and on how to use them. Below on the left, he was demonstrating on how to extinguish fire.

Above on the right: Ms. Magwaza from nkandla Municipality, disaster management section, was amongst people who were part of the fire extinguishing demonstration at Nkandla hospital

Above Mr. Ntombela demonstrating how to use these fire extinguisher and how these extinguishers differ from each other. Nkandla Hospital staff members are now able to extinguish fire should it emerge.

# Health Promoting School Programme (HPS)

Masisizane Special School launched the Health Promoting School Programme on the 9th of November 2017. It was history in the making as this was the first special school to have launched this programme in the Province of KwaZulu– Natal. This event was honored by the presence of Dr. Hadebe from the department of health, representatives from King Cetshwayo District, Chief Khanyile and headmen, the Local councilor, educators from neighbouring schools, principals, inspectors, senior management from Nkandla hospital and other distinguished guests. The school was fully packed and local community attended in numbers.

On the Right: Programme co-ordinator, Mrs. O.B From King Cetshwayo District, was addressing people who were at the event about the purpose of the day. “ we are here to ,launch HPS project, we are so proud that the Department of Education is working hand in hand with the Department of health. We hope that our working relationship will last longer. We also encourage all departments to co operate. We are going to achieve a lot if we work together as different departments.

Above: The hall was packed in capacity, people from Thalaneni and the surrounding areas attended this historical event. People were so amazed about the beauty and the proper organisation of the whole event.

On the right: Ms. Maphalala from KCD presenting the certificate to the school principal. This certificate is a symbol of working together between these two departments.

Below: Omama besigekle doing their thing. They are all from Thalaneni. They displayed their hand crafted gears. It was beautiful.

# MASISIZANE SPECIAL SCHOOL

## MASISIZANE SCHOOL HAS:

- DEVELOPED AND IMPLEMENTING HPS POLICIES.
- MADE SUCCESSFUL ENDEAVOURS IN MAKING THEIR ENVIRONMENT HEALTHY.
- INVOLVED THE COMMUNITY IN SCHOOL HEALTH ACTIVITIES.
- MADE SCHOOL COMMUNITY TO EXERCISE CONTROL OVER THEIR OWN ENVIRONMENT.
- WORKED INTERSECTORALLY WITH OTHER DEPARTMENTS.

After the completion of the whole event, the whole team then proceeded to open the board which is a symbol that Masisizane has developed and implemented HPS.

On the left: the team which includes officials from Nkandla hospital, KCD, DOH, principal from Masisizane and other local dignitaries, were captured next to the HPS board. Siyani-bongela Masisizane!!!!

# Service providers smiling for camera

Abahlengikazi nabahlengi baseNkandla Hospital kanye ne Ekombe Hospital babephume ngezinkani ukuzonikezela ngosizo oluphuthumayo. Babenikezela ngezinhlonhlobo zosizo olwaludingwa umphakathi. Babehlola wena TB, umkhuhlane, Ingculazi, ushukela, umfutho wegazi nokunye. Singewakhohlwe bakithi ama Community care givers (CCG) abamba elikhulu iqhaza ngalolusuku adlala nendima ebonakalayo. Siyanitusa basebenzi baseNkandla ningalehlisi izinga lenu lokusiza umphakathi wenu. Impela igalelo lenu liyabonakala, imizamo yenu yokwenza izimpilo zabantu zibe ngcono liyabonakala. Sithi qhubekani nje ningaphezi

# Dignitaries who attended the event

Lomcimbi omkhulukazi ka-Mongameli wawuhanjelwe ngisho nawo saziwayo. Kwe sokudla ngenhla uNkunzi odlala kuZalo kumabonakude, wayengesinye sezitatanyiswa ezazihambele lomcimbi.

Kwesokunxele phezulu, kwakugcwele kuthe phama, abantu bepume ngobuningi babo ukuzothamela lomcimbi. Kwakhona amakhosi eqhamuka ezigodini ezahlukahlukene, izinduna kanye namakhansela. Kwesokunxele, ungqongqoshe Wezempilo KwaZulu-Natal u Dr. Sibongiseni Dlomo wayeyingxenye yalomcimbi omkhulukazi.

Kwesokunxele ngenhla: Ngalololusuku isibhedlela saseNkandla sanikela ngesihlalo esinamsondo (wheelchair) kumfanyana obesenesikhathi eside engenaso. Kwaba injabulo kulomfana kanye nomndeni wakhe.

Kwesokunxele: uMongameli emukelisa izivakashi zakhe zosuku izipho zika Khisimuzi. Lapha wayenikeza ugogo owayemdala kunabobonke izipho zakhe. Ugogo uneminyaka eyikhulu nesithupha. Yayingajabule intombi endala yashoda ngamandla okugiya iqephuze.

Kwakukuhle kudelile izaguga zihleli negugu lazo elinguMongameli.
