TERMS OF REFERENCE:

Design and deliver continuous professional development accredited distance (on-line) learning on quality assurance and community engagement principles and skills to Nutrition Professionals (Dietitians and Nutritionists) working in KwaZulu-Natal Public Health Sector.

Assignment	Design, develop and deliver SETA accredited continuous professional development distance (on-line) learning on quality assurance and community engagement principles and skills to Nutrition Professionals (Dietitians and Nutritionists) working in KwaZulu-Natal Public Health Sector.
Location	KwaZulu-Natal Province
Start date	01 September 2020
End date	28 February 2021
Duration of Training	2 days (maximum)
Reporting to	KwaZulu-Natal Department of Health: MCWH & Nutrition Directorate

1. Introduction and Background

Delivery of comprehensive nutrition services to KwaZulu-Natal Citizens is reliant on capacitated healthcare providers. Nutrition services is delivered across levels at community, primary healthcare and hospital level. These services are preventative as well as curative services, impacting patient outcomes.

Preventative services is prioritised alongside curative services. The implementation of preventative services to achieve the KZN department of health outcomes, requires Nutrition Professionals (Dietitians and Nutritionists) to be capacitated to coordinate and deliver community interventions.

Skills such as project management and quality assurance are key to the success of projects aiming to improve prevention strategies. In addition, the learning demands arising as a result of COVID-19 pandemic and change in public health priorities demand a change in the delivery of capacity building methods.

KZN Integrated Nutrition Programme (INP) aims to contribute to long and healthy life for all KZN citizens with a strong focus on the pregnant and lactating women, children under 5 years of age. In 2016, the South African Demographic Health Survey demonstrated an increase in the prevalence of overweight and obesity. This necessitate updating of existing programmes, along with identification and development of new learning interventions and packages required to meet staff development to address these needs.

2. Overview

The MCWH & Nutrition Directorate: KZN Department of Health request a service provider from 01 September 2020 – 28 February 2021 to:

- Design, develop and deliver 3 day distance learning (online) quality assurance and community engagement principles and skills for nutrition professionals,
- The training must include assessment of the summative competency levels of all participants.
- The training should ensure all participants can understand quality assurance principles and community engagement concepts in context of KZN Integrated Nutrition Programme (INP) deliverables and be able to apply to facility and district specific projects.
- The training should capacitate nutrition professionals to allow for the implementation of INP policies and procedures. The capacity building should allow for the effective implementation of the INP's activities that would meet the needs of children under 5 years and vulnerable populations, as outlined in the UNICEF conceptual framework. In addition the INP's role in the management of the disease burden from to overweight and obesity should be highlighted.

3. Scope of the Work

The service provider is required to design, develop and deliver a two (2) day distance continuous professional development (CPD) accredited learning using online delivery platforms. The training should be outcome based and be accredited with a relevant SETA.

The targeted training participants are KZN Department of Health: Nutrition healthcare providers. This specifically refers to Nutrition Professionals which include Health professions Council of South Arica (HPCSA) registered Dietitians and Nutritionists (45).

4. Core competencies:

At conclusion of the training, the participants should possess the following core competencies to implement within service delivery projects and programmes:

- Ability to conduct situational analysis in collaboration with stakeholders in an effort to diagnose challenges in addressing nutrition-specific community problems that are related to INP deliverables using key principles of quality assurance principles
- Acquired skills to engage communities and stakeholders outside the Department of Health on nutrition related issues
- Acquired skill and knowledge, on how to facilitate community engagements or dialogues that will enable communities identify strengths, challenges and opportunities to find solutions to the nutrition-related community issues
- Acquired the ability to apply and implement quality assurance principles to address District-specific challenges linked to INP
- Acquired the ability to develop and monitor SMART quality improvement plans (QIPs)
- Developed the ability and skill to provide feedback to stakeholders such as the community and health care workers involved in projects and programmes

- Acquired knowledge and skill for the sustainability of community or stakeholder engagements for continuous monitoring

The scope of the service provider's work include development of all materials through a mix of methodologies as available on an online platform accessible to all KZN Health employees.

5. Specific Tasks

The service provider will be required
