11. PENALTIES

- 11.1. if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract.

12. TERMINATION FOR DEFAULT

- 12.1. The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:
- (i) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract,
 - (ii) if the supplier fails to perform any other obligation(s) under the contract; or
 - (iii) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.
- 12.2. In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services.
- 12.3. Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

FAILURE TO COMPLY WITH ABOVE WILL RESULT IN YOUR QUOTE BEING PASSED OVER.

- i. The Contractor shall be in default if he/she
- a) Breaches and/or neglects to comply strictly with any of the conditions of this contract or any instruction and orders given to him in writing in terms of this contract.
 - b) Does not follow the contracted and agreed maintenance scope and schedule.
- ii. Should the Contractor be in default, the Head of Department: Health or his/her designee shall, from time to time, be entitled to adopt all or any one or more of the following courses, either wholly or partly or by way of substitution or successor;
- a) To allow the Contractor to proceed with the works and to recover a penalty of one hundred (100) cents per hundred rand (R100) of the total contract value of the agreement per day for each day that the work may be in arrears. Such penalty may be recovered or may be deducted as from the date of execution stated in contract, or any extension thereof, from any payment due or to become due in terms of this contract.
 - b) To instruct the Contractor in writing to discontinue the work on specified date and to vacate the site. The Contractor shall not be entitled to refuse to withdraw from the work on the ground of any right whatsoever. The Head of Department: Health or his/her designee may there upon adopt the following courses:
 - Cancel the contract and enter into a further contract, by instruction with any other Contractor for the execution of the works or any portion thereof for the rest of the contract period, at such times and upon such terms as the Head of Department: Health deems fit:

KWAZULU-NATAL PROVINCE

HEALTH
REPUBLIC OF SOUTH AFRICA

- Provide such number of persons and purchase such material as the Head of Department: Health and user deem fit execute the works or any portion thereof:
- iii. If the execution cost of the works for the rest of the contract period exceeds the amount still due in terms of the contract, if any, the Head of Department: Health may, without any prejudice, recover such excess from the Contractor. The Head of Department: Health shall be entitled to deduct such excess from any amounts still due in terms of this contract or any other contract existing between the Contractor and the Head of Department: Health. The Contractor hereby agrees and binds himself, his successor in title, not in any way to dispute the right to deduct such amounts.
- iv. If the contract or portion is cancelled the Head of Department: Health may make an assessment of the cost of executing the works for the rest of the contract period and deduct such assessed amount from any of the aforesaid amounts that may be due to Contractor. If it later transpires that the actual cost of executing the works for the rest of the contract period is less than the assessed amount, such excess shall be refunded to the Contractor.
- v. The Contractor shall not be in default if it can be proven that the works could not be executed due to unforeseen circumstances beyond the Contractors control or acts of God. In that case the Contractor must notify in writing the Head of Department: Health or his/her designee of such instance and provide a recovery plan to execute the works without affecting the subsequent scheduled activities.

2.12 Maintenance and repair instruction

- i. The Contractor will be responsible to the Head of Department: Health or his/her designee and will receive written instructions for repairs and reported faulty plant operation solely from the Head of Department: Health or his/her designee. The Contractor shall not discuss maintenance and plant operation procedures or pass comment to occupants of the facility or any other person or persons. The Contractor shall not under any circumstance carry out works issued by any other persons except instructions from Head of Department: Health or his/her designee.

2.13 Substitutions of materials

- i. No substitutions of the articles or materials specified in this document will be permitted unless the authority of the Head of Department: Health has been obtained, in writing, before the bid close and Contractor will otherwise be required to provide and or use the specified articles or materials. Approval of any request for the substitution of any article

or material will only be considered when Head of Department: Health is satisfied that if the substitution is approved, there is sufficient time remaining before bid close to advise all other bidders accordingly.

2.14 Applicable codes

- i. All equipment supplied, all detailed layout and all work performed shall be in strict accordance with the following minimum but not limited to codes:
 - a) The latest edition of the Health and Occupational Safety Act, Act 85 of 1993, as amended,
 - b) Construction Regulations, 2014
 - c) The relevant local authority (Municipality) regulations
 - d) SANS 10400-Part P, Drainage, Plumbing, Sanitation and Water Disposal
- ii. Should the specification and/or drawing (if any) be at variance with one or more of the above mentioned codes, the Contractor shall inform the Head of Department: Health of his/her designees in writing of such variance. The Contractor shall apply the conditions of the statutory codes unless instructed in writing by the Head of Department: Health of his/her designee to do otherwise.
- iii. All material shall, unless otherwise specified, comply with the requirements of the relevant SABS specification.

2.15 Exclusions from contract

- i. The costs of repairs necessitated due to misuse (other than the misuse by the Contractor or his employee) and the replacement of parts with parts of a different or updated design shall be borne by the Head of Department: Health.
- ii. The following items of the installation are not included or covered by this agreement
