CONTRACTORS

1. GENERAL REQUIREMENTS

Tenderers are to make special note of the following:

The whole installation shall be in accordance with the Occupational Health and Safety Act 85/1993 and all framed therein shall be carried out to the satisfaction of the Department of Health at Eshowe district hospital

Competent workmen skilled in their trade shall carry out all work. Quality shall be of the best standard practice and all workmanship will be subject to the approval of the Department of Health.

The work shall at all times, for the duration of the contract, be carried out under the supervision of a skilled and competent representative of the Contractor, who will be able and authorized to receive and carry out instructions on behalf of the Contractor. A sufficient number of workmen shall be employed at all times to ensure satisfactory progress of the work.

All apparatus, component parts, fittings and materials employed in the execution of the Contract shall be new and unused and shall be the latest type or pattern of the particular manufacture employed. S.A.N.S. mark bearing items shall be used wherever possible.

The complete installation must be guaranteed against defective parts and workmanship for a period of twelve (12) months after the date of issue of the Completion Certificate. This period shall run concurrently with the maintenance period.

Rates are to include for commissioning and testing of the complete installation and handing over in working order ready for use.

Tenderers are advised to visit the site and acquaint themselves fully with the site conditions and nature and full extent of work involved prior to submitting their tender. Claims on the grounds of insufficient information in such respects or otherwise will not be entertained by the Administration.

The Administration reserves the right to make emergency repairs to keep the equipment in operation without voiding the Contractor's Guarantee, nor relieving the Contractor of his responsibility during the guarantee period when, after proper notice, the Contractor fails to attend to such emergency repairs. All costs incurred by the Administration under these circumstances will be for the account of the Contractor.

1.1 Penalties

If the Service provider shall fail to complete a project, by the due completion date, fail to complete the task to the extent which entitles him/her to receive a certificate of completion the service provider shall be liable for a penalty for every day which shall elapse between the due completion date and the Actual completion date. The imposition of such penalty shall not relieve the service provider from his/her obligations and liabilities under the contract. The penalty for failing to complete the works is 0.4% per day of the contract sum rounded up the nearest R10.00.

1.2 Progress Chart

The service provider shall submit for approval a progress chart for each project, to the Department's Representative, within 7 days of the site handover. The progress chart shall be in bar chart format and list all of the planned activities for completion of the project.

1.3 Completion period and delays: extension of time

The completion period for each particular project shall be stated in each project specification or task order.

1.4 Project Work Quotations and Invoices

In respect of project work quotations the quoted rates are fixed. Therefore, supporting job sheets and supplier's invoices are not required to be submitted with the service provider's invoice.

Note: in the event that only one quote is received, it will be acceptable, providing that proof is provided that all appointed service providers for the specific type of work, were invited to quote.

2. SITE AND MODE OF PROCEDURE

The work contained in this contract will be carried out on the site of the existing Eshowe District Hospital

The Bidder is advised that the existing premises will be occupied throughout the period of the contract, and that the minimum amount of disruption to services is of the utmost importance.

Damage to the existing buildings - Bidders to note that any damages done or occurring to any of the buildings will be repaired at the expense of the contractor/ Bidder.
