GREY'S HOSPITAL
WASTE MANAGEMENT

SPECIFICATIONS

Recycling project for Grey's Hospital

1. PURPOSE

- To create environmental awareness.
- Social responsibility sustaining the environment for future generations.
- To save money – selling recyclable material to companies who are willing to buy results in remuneration for the hospital.

2. ITEMS TO BE RECYCLED

- CARDBOARD : (flattened boxes, soft boxes i.e. gloves boxes)
- PAPER : (printer paper, writing paper, magazines, flyers, Super mix **including the patients, staff and payments file records above 5 years**)
- PLASTIC SHEETS AND PLASTIC BOTTLES : (most plastic containers such as cool drink and water plastic bottles, cleaning product bottles)
- CLEAR PLASTIC : (transparent plastic) and colour plastic items
- CANS: (beverage cans i.e. cold drink, food tins, metal lids of glass jars, aluminium cans).
- Poly prop
- HD Bottles

3. METHODOLOGY

- Supply containers at central general waste storage area to recycle the following
 - Paper waste
 - Plastic bottles and plastic pockets (transparent and colour plastic pockets)
 - Cardboard box and soft cupboard boxes)
 - Aluminium cans and cans
 - 1lt & 5lt HD bottles
 - **All patients, staff and payments old records to be collected directly from respective departments where they are stored.**

4. COLLECTION METHOD

- All cupboard waste, soft boxes waste, plastic pockets & bottles waste, paper waste and cans waste will be deposited into receptacles stored in the waste area. The receptacles remain the property of the contractor and will be maintained in good order by them.
- The waste will be clean and free from any chemical or harmful substances.
- When the load reaches almost full capacity the contractor will be notified and must collect within 24 hours. An empty receptacle must be placed in the waste area within 3 hours. The client must, when calling for collection, ask for the reference number.
- The contents of the receptacle will be weighed and a record kept for accounting purposes.
- Reconciliation and electronic payment must be made at the end of each month.

5. DISPOSAL OF WASTE

- All waste emanating from within Grey's hospital premises must be disposed of in accordance with all statutory laws, local authority by-law and regulations governing the category of waste being handled.
- **Disposal certificates required for destruction/recycling of confidential documents.**
- The service provider shall take all necessary measures to prevent spillage or seepage from receptacles/vehicles during transporting to the appropriate site.
- The service provider must give a detailed monthly report on how much waste was generated through recycled materials (for stats purposes).
- All data associated with the submission of waste manifest and each stream that is removed from site must be forwarded.

3.6. Evaluation Criteria for Waste Recycling Project

- 3.6.1. Service provider to give a detailed plan or business profile on the following points, experience in waste recycling, methodology, technical skills, equipment and
- 3.6.2. **Give pricing of each item to be recycled below.**
 - 3.6.2.1. White Paper - R.....
