

Keep up the good work Dr Baldeo

Sir,

Through the medium of your newspaper we would like to thank Dr Y. Baldeo, the nurses on duty and the paramedics of Stanger Hospital for their quick response and professional manner in which they handled the trauma our son endured on Sunday, 26 June.

It was because of Dr Baldeo's professionalism and dedication that our son is alive today.

May you prosper not only in your professionalism but in your everyday lives.

Keep up the good work.

*Mr & Mrs Soobramoney
(Gledhow South)*
