

# ALLOCATION OF COMMUNITY SERVICE PHARMACISTS

2010

## ONGOING PROGRESS UPDATE 15 October 2009

Each year there is considerable interest as to the placements for the coming year. We like to keep a regular progress report on this web-page so that enquirers can be fully informed at all times.

In keeping with the National Department of Health (NDOH) protocol, the final placements will be released only at the end of the whole process, which will culminate with the Ratification meeting, usually at the end of September. We will not release information prior to this.
