## HOSPITAL CANDLELIGHT MEMORIAL DAY

Candle lighting P.1

Recorded Prayer P. 2.

Prayer P. 2

Hospital Birthdays P.3

Sports Action P. 4

The hospital Councilors with the red attire, Gabriel Ngema and Mrs. S.E. Mdlalose during hospital Candlelight Memorial Day.

In paying tribute and condolences to the families, parents and friends of those who have died because of HIV/ AIDS and by not forgetting those who are living with this terminal disease. The communities around the hospital gathered in large numbers to commemorate the HIV victims on the 16th of June 2005. The Candle lighting Event was held inside the hospital Gateway Clinic where about 200 people attended this Prayer .

Amongst the guests who attended the Candle lighting Prayer was Mr. S. C. Ngwenya the hospital Public Relations Officer who officially opened the event with a prayer, Mrs. M.O. Simelane who addressed the audiences about the significance and the purpose of the day,

Rev. S.R. Nhlengethwa the Hospital Chaplain who blessed the event by reading the different scriptures on the Holy Bible, he also gave hope strength and brought self belief to those people living with HIV/AIDS as well as families and friends who lost their loved ones because of this terminal disease. He also said that people with HIV could live longer if treatment is taken properly and if we are giving them good care and support .

Our guest speaker Gabriel Ngema from the community expressed the importance of abstinence and being faithfully to their partners especially the young generation. He also said that this virus can not be seen by eyes, so it's important to take care of themselves.

## THE VISITS OF UKHOZI F.M. AT ITSHELEJUBA HOSPITAL

MR. NKOKEHLI MBATHA AND AKHONA TATI PAYING ATTENTION

THE AUDIENCES LISTENING WITH PASSION TO REV. S.R. NHLNGETHWA'S PREACHING.

The visits by Ukhozi F. M. Religious Department at Itshelejuba Hospital on the 15th of May 2005 ( Sunday) to record prayer service by Rev. S.R. Nhlengethwa ( The hospital chaplain) it was a great success as the hospital staff come in big numbers to witness live recording of this service.

The audiences was so impressed and they were praising glory to GOD loudly with their voices singing songs that can heal their emo-

tional spirit. The hospital choir together with Mr. F. Dlamini (Choir conductor) availed themselves to entertain the audience. The recording of this services was divided into two sessions, the early morning session that had to be broadcasted on the morning (06h00) and the afternoon session that had to be broadcasted late afternoon (21h00) . Mr. Nkokheli Mbatha and Ms.

Akhona Tati were

among the visitors who were tasked by Ukhozi F.M management to ensure that everything went smooth . Rev S.R. Nhlengethwa blessed the audience by opening the Holy Bible scripture on Mathew 25 from verse 31- 46. The event was officially closed with a prayer.

"ALLOW YOURSELF TO BE LIFTED BY HIGHER POWER" POWER OF GOD.

## The Hospital Tuberculosis Awareness

Itshelejuba hospital has committed itself to run the T.B. Awareness programme to all Phongola communities including Primary Schools and High Schools. This programme is to enlighten the young generation together with their parents about the danger of T.B. if it is not treated accordingly. Our hospital programme coordinator didn't forget to send a message about HIV/AIDS as these two diseases are related. Students and teachers were being informed about the safety tips to prevent Tuberculosis and HIV. This programme will be running for the whole year.

## HOSPITAL SPORTS NEWS

The situation was too tense after Itshelejuba hospital netball and soccer teams disappointed their supporters, the soccer team didn't win even one game after they were beaten by St. Francis hospital and Simdlangetsha Clinics. They played into a goalless draw with Vryheid hospital.
