**Editors Notes**

I am very grateful to all staff of Manguzi Hospital for the hospitality they have shown to me so far. On behalf of the publication team, I would like to extend a word of appreciation to each and every one of you, for the provision of various news worthy items. I would like to thank Mr Nkululeko Mthethwa for helping our news desk with the Name of our newsletter. And I would like to applaud the Institution for whatever achievements that has achieved. Your purpose determines your destiny. If you follow

## Sport Day

The Manguzi Hospital sport and recreation committee is one of the best committee in our district. What makes the Manguzi sport and recreation to stand out among the other four Hospitals? The answer is to be found in its creativity, participatory and natural potential in organizing sport days. Last year sport and recreation orgies a wonderful sport day for the local people.

The Manguzi soccer was playing with Manguzi SAPS soccer team. Manguzi punished Manguzi SAPS with 5-0.

*The best team in our Country and in our province.*

The event was organized as follows: 10 Km fun walk

10 Km fun run

Sack race run

Soccer. And there were prizes to be won.

Mr Mathenjwa stores manager decided to join the fun run, can you believe that? It was amusing to see that happening in our Hospital. And some of Administration people were party of the fun run on that day.
