Conclusion

- All presentations will be on the departmental intranet and internet
- Acknowledgements
 - Sanofi Pasteur – Dr Mhlanga
 - The presenters for their time and sharing of expertise
 - WHO on-going support
 - The members of the Polio committees and Prof Matjila
 - My incredible team who worked tirelessly to put this symposium together: Neil, Koshan, Khwezi, Bongzi, Nelly and Keshnee
 - The audience for your patience and the fantastic work you do on a daily basis caring for the children of KZN
- Travel safely, may the peace and grace of God be with you.
