## **How to control rabies**

- Vaccination is the only protection.
- **Vaccinate** your dogs and cats. Encourage other people to have their pets vaccinated too.
- Do not allow your pet to roam the streets.

- Report all suspect cases to your nearest state veterinarian, animal health technician or to the police.

**NEVER TOUCH OR CARESS  
A STRANGE, INJURED  
ANIMAL OR ONE WHICH  
APPEARS TO BE SICK!**

## **If you get bitten**

- Thoroughly disinfect the wound.
- Immediately consult a medical doctor or clinic.
- Contact your nearest state veterinarian or animal health technician.
