

If you have just had a new baby – congratulations! Do you want help remembering your child's important clinic visits?

At the clinic your child will get essential immunisations against common childhood diseases, and other routine services. This can save your child's life.

Go to www.roadtohealth.co.za and register for handy email reminders

Go to www.roadtohealth.co.za
You will find lots of information on how to raise a healthy child.
