

Do you enjoy working
as a generalist?

Do you enjoy patient centered
care and holistic management?

Do you see yourself as a
specialist in Family Medicine?

Would you like to contribute to the
National Health Insurance roll out?

Do you see potential for a
career at a District hospital?

IF YES, THEN FAMILY MEDICINE IS FOR YOU!

We offer training at centralized and decentralized sites and there is career pathing in both the public and private sector

Applications for Family medicine registrar training posts will be on the Department of Health's website, the Sunday Times and City Press in the near future.
