ST ANDREWS HOSPITAL ACHIEVES 1<sup>st</sup> POSITION OF BEST PERFORMANCE  
IN IMPLEMENTING NATIONAL CORE STANDARDS

St Andrews staff receiving the award from KZN Health HOD Dr. Sibongile Zungu and KZN Health MEC Dr. Sibongiseni Dhlomo

It was a day of joy and jubilation when St Andrews Hospital achieved two awards which is the gold award for the Implementation of National Core Standards and the silver award for the Implementation of Batho Pele Principles during the MEC's Annual Service Excellence Awards (MASEA) that was held on the 21<sup>st</sup> February 2014 at ICC in Durban.

Amongst the KwaZulu Natal hospitals that entered the MASEA Awards for the first time St Andrews broke the record of being the first hospital to walk away with the first position in implementing National Core Standards. The hospital managed to go through all the phases of the competition without fail and succeeded with flying colours.

St Andrews did not only scoop the gold award but also the silver award for the 2<sup>nd</sup> position in implementing Batho Pele Principles. Winning both these awards really proved hard work, determination and commitment by all hospital staff

## THE HOSPITAL STAFF CELEBRATING THE ACHIEVEMENT TOGETHER

Left: Miss Cwele, Hospital Board Member, Mrs T.L. Ntleko, Hospital CEO and Mrs C.P. Edonga, ANM—M&E
