About Us

Christ The King Hospital is a district hospital with 187 beds located in the beautiful rolling hills of Ixopo, the town made famous by the internationally acclaimed novel "Cry the Beloved Country" by Alan Paton. It is approximately 90kms from Pietermaritzburg and 150kms from Durban.

Mission

To endorse a compassionate and holistic patient-centered health service in partnership with the community of Johannes Phumani Phungula Municipality.

Vision

To render appropriate district hospital services in an effective, efficient, safe and professional manner within the available resources.

Objectives

- To provide a high-quality care and to maintain the dignity for both our patients and clients who are the focus of our selectivity
- To perform according to acceptable norms, resources and standards.
- To create a safe and friendly environment for both patients and healthcare providers.

Patients' Responsibilities

- Take care of your health.
- Care for and protect the environment
- Respect the rights of other patients and health care providers.
- Utilise the healthcare system and not to abuse it.
- Know your local health care providers and services they offer.
- Provide health care providers with relevant and accurate information for diagnostic, treatment, rehabilitation or counselling purposes.
- Advise health care providers on your wishes with regards your health.
- Comply with the prescribed treatment or rehabilitation procedures.
- Enquire about the related costs of treatment and/or rehabilitation and to arrange for payment. Care for health records on your possession.

Admission Procedure

- Take your file to the admitting clerk who will then fill in the admission form for you with your personal details, eg. name, address, contact number, debtor's details etc.
- In the ward, the nurses will need more information about you. If there is a need for an operation, the doctor will explain all this to you thereafter if you are satisfied with the information you will have to sign a consent form.
- If you are coming for an operation please come the previous morning to ensure that you are ready.
- Please pay before/on your discharge to prevent unnecessary costs when accounts are set up.
- On discharge the hospital will give you a blue card. If you do come back to the hospital please bring it with because we will need that card to locate your file and details of your health.
