MEC ANNOUNCES IMMEDIATE OPENING OF PHARMACY AND PSYCHOLOGY INTERNSHIP APPLICATIONS

KWAZULU-NATAL Health MEC Ms Nomagugu Simelane has announced that the online application process for Pharmacy Interns and Psychologist Interns will officially open tomorrow, 08 January 2026.

“Prospective applicants will be able to access and submit all required forms via the department’s official website, starting tomorrow,” the MEC stated.

“This recruitment is a crucial step in strengthening our health system and securing the skills our province needs.”

The recruitment follows the MEC’s announcement today, regarding the successful reprioritisation of national funding to address critical staffing challenges.

This intervention is designed to stabilise essential training pipelines and enhance pharmaceutical and psychological services in public facilities.

The MEC encouraged all eligible candidates to prepare their documentation and visit the department’s website www.kznhealth.gov.za from tomorrow onwards.

The Department remains committed to working with all stakeholders to ensure the recruitment process is transparent, fair, and efficient.
