The process to be followed when evaluating offers received through quotations and tenders/bids must be conducted as follows:

- Proposals are required to be evaluated for administrative compliance as the first phase of evaluation; this determines whether a supplier is **compliant or non-compliant.**
- Proposals may also be evaluated on functionality where applicable (guidelines on how to apply functionality are contained in paragraph 3 of the National Treasury Instruction Note dated 03 September 2010 with the exception of clause 3.4.2 {which deals with the application of preference points})
- *Qualifying proposals will then be evaluated on* ***Price and B-BBEE Points***
